- (B) The Administrators were appointed by order of the court as joint administrators of the Consignor (with power to act severally) on 11 November 2009, in accordance with Schedule B1 to the Insolvency Act 1986.
- (C) The Consignor is or may become the owner of various aircraft parts (which may or may not be serviceable or in need of repair) as well as associated trace paperwork and relevant certification.
- (D) The Consignor intends to allow the Consignee to collect some or all of such aircraft parts from the Consignor or a person acting on its behalf from time to time on the basis that the Consignee may thereafter purchase such parts from the Consignor at or about the time that the Consignee has arranged for an on-sale of such parts to a third party.
